 - Please advise CER students accordingly

Certificate Completion and Conferral

- Completion
 - Defined as the end of the semester in which student completes last required class
 - Completion form (contact AAO for a template if needed)
 - Student applies for CER conferral if also applying for a degree
- Departmental administration
 - Notify Graduate College of completion/submit form
 - Use [degree applicant report](#) in MAUI
- Graduate College/AAO administration
 - GC must add CER conferral application for CER-only students (no charge)
 - GC requests completion form as needed

Certificate Conferral Checklist

For students have completed a CER and are known to the program:

- Confirm student has CER listed as POS (additional)
 - [Submit COS form](#) if student should have CER added as additional POS
- Fill out a completion form for the student
- Verify student's coursework (complete and in progress as applicable) with grade report
- Is the student graduating with a degree other than the CER in the same semester?
 - Yes (If the student DOES intend to graduate, ensure student has applied for primary degree and CER award)
 - No (If the student DOES NOT intend to graduate with an additional degree, the AAO will need to apply the student for the CER)
- [Email](#) completion form to the AAO with other information as needed; AAO will confirm receipt

For students who have completed the CER but have NOT notified the program:

- Use [degree applicant report](#) in MAUI; filter by Graduate College and program
 - Cross-check with departmental records; are there any students in this list without a completion form yet?
 - Yes (fill out completion form for the student/verify courses as needed—see checklist above)
 - No (nothing further needed)

Curricular Updates

- Inform Graduate College of change request ([workflow form](#), under “Curricular Update Forms”)
- Gain approval according to proposal type
 - Some require notification only, some require routed approvals
 - Unsure? [Email the AAO](#)
- Updates
 - Completion form template
